Mayor Moya's Report

Please always feel free to call me at City Hall (713) 672-2556

Dear Residents and Neighbors of Galena Park:

I'd like to take this opportunity to thank the **Committee for a Better Galena Park** for all their hard work and dedication in organizing and sponsoring a successful 2nd annual 4th of July event. I also, would like to thank the Galena Park Police Department, Fire Department, and all city employees and volunteers that were involved in making this event a success! To the citizens of Galena Park, **"Thank you!"** Your optimism, enthusiasm, and passion were contagious. I've never felt so humbled and honored to be part of such an amazing community of neighbors, friends and families.

Best Regards,
Esmeralda Moya, Mayor

Street and Bridge Operations

In collaboration with Harris County, Precinct 2, and the Public Works Department has initiated a **Better Streets 2 Neighborhoods (BS2N)** of over 188,000 square feet in different sections within the city. The milling and repaving involve grinding up the existing asphalt and base material, removing it, and applying new pavement. The major benefits of the milling and repavement are to reduce surface roughness and address minor deformations, cracking, and irregularities in the surface pavement resulting in a much smoother drive. Prolonging the life of our city streets saves time and taxpayer money by intervening before full reconstruction is needed. Thanks to the Harris County, Precinct 2, and Public Works crews for all their hard work!
